

FOOD SUPPLEMENT

Amino acid formula

L-Lysine 500 mg plus contains only the natural, laevorotatory form of the amino acid. In addition, it contains the requisite synergists for the absorption and action of L-lysine, including vitamin C, which contributes to normal collagen formation. Collagen is found in blood vessels, skin and other tissues.

COMPOSITION PER TABLET		%RI*
L-Lysine (as L-Lysine HCl)	500 mg	
Vitamin C	45 mg	56%
Active vitamin B6 (pyridoxal-5-phosphate)	1.4 mg	100%

* Reference Intake

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.
